

REMARKS

Claims 3 and 4 are pending. Claim 4 has been amended to correct an inadvertent typographical error.

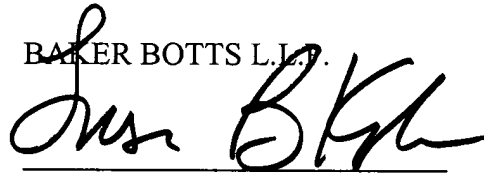

The title is amended to reflect the subject matter of the pending claims.

Claims 3 and 4 are rejected under the judicially created doctrine of obviousness-type double patenting over (1) claims 9-11 of U.S. Patent No. 5,710,137 and (2) claim 25 of U.S. Patent No. 6,355,622. To overcome these rejections, Applicant supplies herewith a Terminal Disclaimer relative to the two cited patents, both of which are related to the instant application.

Applicant believes that the foregoing amendments and remarks put the claims in order for allowance. An early issuance is earnestly requested.

Respectfully submitted,

BAKER BOTTS L.L.P.
